## **CONSTRUCTION ADVISORY**

### **March 4 and 5**

### **Week of March 7**

---

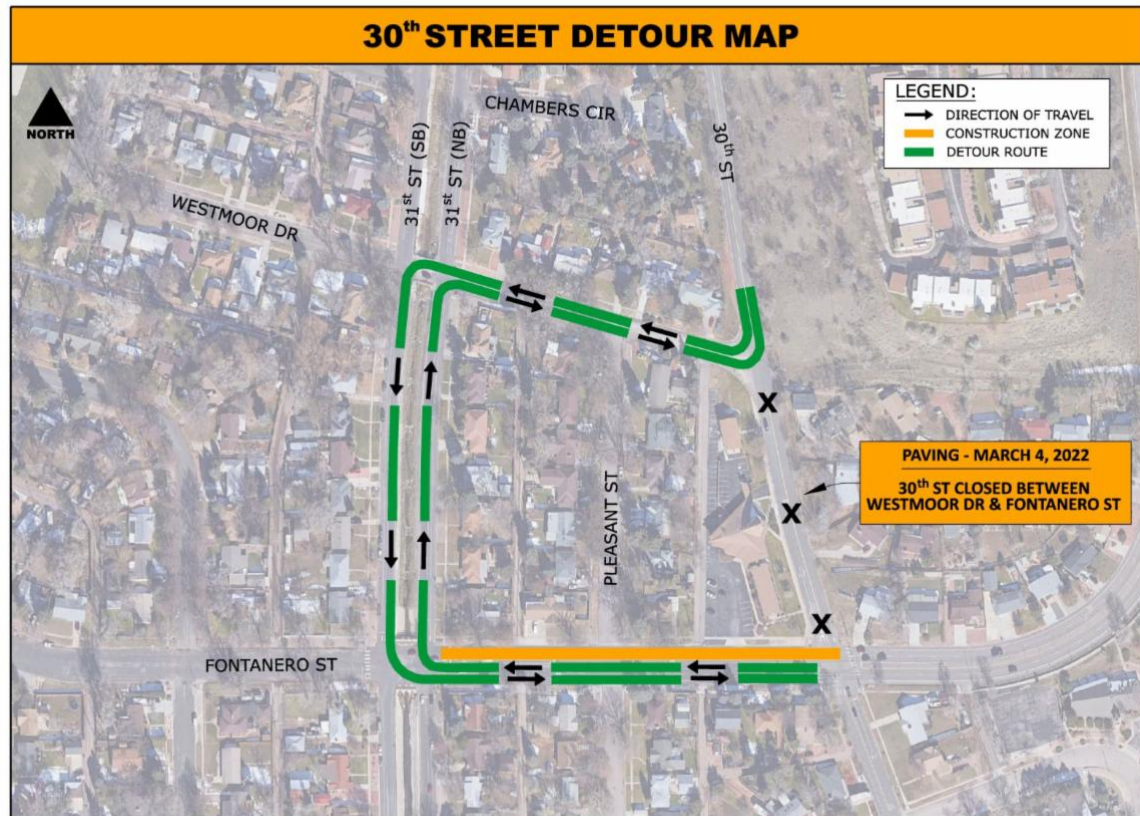

#### **30th Street closed Friday (March 4) between Fontanero Street and Westmoor Drive for Fontanero paving**

Crews are paving the northbound 31st Street / Fontanero Street intersection today and plan to reopen northbound 31st Street to all traffic this evening. Starting as early as 7 a.m. tomorrow morning, 30th Street between Fontanero Street and Westmoor Drive will close to all traffic for most of the day while Fontanero is paved. Equipment access and paving operations will extend into the north side of the 30th Street / Fontanero Street intersection requiring the full road closure.

The signed detour route for northbound 30th Street traffic heading to Garden of the Gods Park will direct drivers west (left) on Fontanero Street, north (right) on 31<sup>st</sup> Street, east (right) on Westmoor Drive and north (left) on 30<sup>th</sup> Street. The signed detour route for southbound 30th Street traffic leaving the Park will direct drivers west (right) on Westmoor Drive, south (left) of 31st Street, and east (left) on Fontanero Street. If work is not complete on Friday, 30th Street may close again on Saturday to complete paving.

Construction schedules are weather-dependent and subject to change. Any changes to the closure schedule will be posted on a message board approaching the work area and on the project website.

### Work continues on the Foothills Trail underpass beneath Gateway Road

Crews continue to build a large box culvert underneath Gateway Road as part of a new multi-use trail connection. The underpass will improve pedestrian safety with direct access between the Visitor Center and popular trails on the north side of Gateway Road to Rock Ledge Ranch and the Park overflow parking lot on the south.

The contractor team recently poured the concrete box culvert floor. The culvert walls and top will be poured in the next two weeks, weather-permitting.

### For the week of March 7 - Construction activities planned

- Prepare the area near the 30th Street and Gateway Road intersection for the future roundabout and trail underpass
- Continue Foothills Trail underpass construction at Gateway Road

- Place new water pipeline north of Gateway Road
- Continue storm sewer pipeline installation
- Build new retaining walls along 30th Street
- Construct drainage features for the water quality pond west of 30th Street near Chambers Way
- Continue full road closure of 30th Street between Gateway and Mesa Roads [View the detour route](#)

In addition to the full road closure of 30th Street between Gateway and Mesa Roads, occasional lane or shoulder closures are possible within the work zone. As needed, flaggers will assist with traffic control. General work hours are Monday through Friday from 7 a.m. to 5 p.m. Occasional extended work hours or weekend work may be allowed for specific and necessary construction activities.
